

Admission to Store/Off-Duty Access Policy

All store and distribution center team members must enter and exit through the front door during normal business hours. Entry through the rear door is only permitted in special circumstances and must be approved by your supervisor or manager.

The primary use of our facilities, including stores, offices and backrooms, is reserved solely for the conduct of Sprouts business. Visitors are not permitted in restricted areas (e.g., backroom, behind the register) without a registered Visitor Badge in order to maintain safety standards, protect against theft, ensure security of equipment, protect confidential information and avoid potential disruptions. Off-duty team members are not allowed to return to the interior or working areas of company premises unless it is during regular work hours, when their presence is requested by management, or to shop.
