

Dear Valued Sprouts Farmers Market Store Team Members:

As a Sprouts Team Member, you may from time to time be asked by law enforcement officers, process servers, or other individuals to accept legal documents that are intended for the company. It is important that you decline to accept any such documents and immediately refer the person trying to deliver the documents to your store manager.

If the person trying to deliver the documents leaves the documents with you despite your refusal, it is imperative that you deliver them to the store manager as soon as possible.

Thank you for your cooperation.
