

What Should You Do With A Legal Document?

If your store receives any official documents from any of the following, please send them directly to Legal@sprouts.com:

- A court
- A collections agency
- A process server
- A government agency

If you are confident the document is a garnishment, please send directly to Dept-HR-Payroll@Sprouts.com.

Please do not give garnishment orders to the team member named in the document.

If you are not sure what to do with a document, please reach out to our Legal team for assistance.
