RECIPE!

Nick Konat, Sprouts President & Chief Operating Officer, loves to cook with **Sprouts Brand Italian sausage**! He uses it to make fabulous chili recipes like this one from [Favorite Family Recipes](#).

Ingredients:

- 1 pound Italian sausage
- 2 Tablespoons olive oil
- 5 garlic cloves minced
- 14 ounces chicken broth
- 1 Tablespoon ground chili powder
- 1 Tablespoon ground paprika
- 2 teaspoons ground oregano
- 2 teaspoons ground cumin
- 1 teaspoon fresh parsley
- Salt a pepper to taste
- 28 ounce can diced tomatoes lightly blended, (or 2 cans)
- 1 cup tomato juice
- 2 Tablespoons red wine vinegar
- 14 ounces black beans (1 can)
- 4 ounces cream cheese (half of one package)
- 14 ounces pinto beans (1 can)
- 14 ounces kidney beans (1 can)

Directions:

1. Brown the sausage in a frying pan.
2. In a large pot, cook the garlic in the olive oil until it is golden.
3. Add the broth, spices, tomatoes, tomato juice, and vinegar. Stir well and bring to a boil.
4. When the sausage is browned, place it over some folded paper towels to drain off some of the grease.
5. Add the sausage and the cans of beans (you do not have to drain the beans) to the pot. Let the chili simmer for about half an hour.
6. Lastly add the cream cheese and stir in until completely dissolved.
7. Serve with tortilla chips or cornbread.
