COMMUNITY IMPACT

The primary school in Armande, Togo, funded by Sprouts and constructed in 2020 provides a safe place to learn for 140 students for the next 25+ years.

In addition, Sprouts sales of Alaffia have contributed an estimated **\$150,000** towards community impact programs, resulting in direct impact for thousands of lives in Togo:

- 920 Bicycles to students
- 490 Safe Births funded
- 7,752 Trees planted
