## WOMEN-OWNED BRAND SPOTLIGHT

We had some awesome women-owned brands participate in Team Member Appreciation Week. This month, the spotlight is on **Three Trees** founded by Jenny Eu.

Back in 2012, Jenny was unable to find plant-based milks free of gums and other additives. She created Three Trees and began her journey at local farmer's markets in San Francisco. From there, Three Trees grew to being available nationwide and in major retailers like Sprouts! [Learn more about Three Trees.](#)
