"NEW FOR YOU" ITEMS!

HOMIAH

Homiah means "to live the good life," expressing love and care, often by cooking for someone. Their Spice Kit line consists of quick meal options introducing flavors rarely seen in US grocery stores, like Indonesian Rendang and Singapore Laksa. Just add protein, simmer, and serve in minutes.

MASALA MAMA

The balance of spices is key to truly mouthwatering Indian food, and at Masala Mama, they use the traditional Indian method of slow-frying the spices for their sauces to gently extract their essential oils and deliver maximum flavor. All of their ready to eat pouches are plant-based, protein-rich, naturally gluten-free, and certified non-GMO.

OMSOM

Omsom was founded by sisters Vanessa & Kim Pham to bring proud, loud Asian flavors to your fingertips any day of the week. A Vietnamese phrase meaning noisy, rambunctious, riotous, Omsom serves up heaps of flavor in its new saucy noodles.

JAYONE FOODS YUGWA

Crispy and Sweet, Yugwa is a tasty baked rice puff snack. A traditional Korean dessert that were once reserved only for nobility, Yugwa was also a staple dessert served on Seollal (Korean New Year).
