SOUL @ SPROUTS

GIVING BACK

In the spirit of holiday giving and our mission to lift each other up, **SOUL @ Sprouts donated a total of \$1,000** to two organizations dedicated to reducing food insecurity and hunger. Check out the links below to learn more!

People's Kitchen

The People's Kitchen Collective is an organization based in Oakland, California, working at the intersection of art and activism as a food-centered political education project.

San Antonio Food Bank

To address food insecurity in Black communities, the San Antonio Food Bank works alongside national organizations like Feeding America, to address the root causes of these persistent inequalities.

MLK VOLUNTEER SPOTLIGHT

SOUL @ Sprouts and the Sprouts Healthy Communities Foundation partnered to celebrate Martin Luther King, Jr.'s birthday and MLK Day of Service on **January 13!** Team members from District 9 volunteered with The Walls Project at the MLK Fest in South Dallas, and enjoyed painting vibrant murals in service to the community.
