RECIPE!

SPRING PEA, FRESH HERB & ASPARAGUS FARFALLE PASTA

Recipe courtesy of [Waiting on Martha](#)

- 2 cups fresh or Sprouts Brand frozen peas
- 1 bunch of asparagus or 1 bag of Sprouts Brand organic frozen asparagus
- 4 cups Sprouts Brand Organic Farfalle pasta
- 1/4 - 1 cup grated Sprouts Brand Parmesan cheese to taste, plus more for garnish
- 1/4 cup Sprouts Brand Extra Virgin Olive Oil
- 2 tablespoons of each chopped: fresh mint, flat leaf parsley, thyme, and cilantro
- Salt & pepper to taste
- Red pepper flakes (optional)

DIRECTIONS:

1. Bring a large pot of salted water to boil for the pasta.
2. Steam fresh peas for 3-4 minutes or until tender. If using Sprouts Brand frozen peas, be sure to follow package directions: Do not pierce the Green Peas bag; Place "this side up" in microwave on High for 5-8 minutes (based on microwave) or until the product reaches 165 degrees F.
3. Grill the asparagus, cut into 1-inch pieces and combine with the peas. Add the herbs to the bowl.
4. When the water boils, add the Sprouts Brand Organic Farfalle and cook to desired consistency.
5. Drain the pasta, then toss it with the olive oil, vegetables, herbs, and Parmesan cheese.
6. Season with salt and pepper, and red pepper flakes if using, and serve hot or cold. If serving cold, wait until the pasta has completely cooled to toss all the ingredients together.
