Why Juni?

Juni's **Super-5 Blend** is packed with expertly sourced adaptogens to help balance your mind and body.

green tea or hibiscus extract

Studies have suggested that green tea may have positive effects on brain health, weight loss, liver disorders, and more.

Hibiscus is rich in antioxidants and is commonly used to help lower cholesterol.

ashwagandha

An adaptogenic herb that has been used to improve cognitive function, anxiety, and even increase athletic endurance.

lion's mane mushroom

An adaptogenic mushroom that has been used for centuries in Chinese medicine. Lion's Mane helps increase cognitive function, helping to combat stress & anxiety.

reishi mushroom

An adaptogenic mushroom that helps naturally fight off infections, combat daily fatigue, depression, and increase antioxidant support in the body.

acerola cherry extract

An adaptogenic superfood known for its Vitamin C and antioxidant properties.
